

Fill in the gaps

Both Of Us by B.o.B & Taylor Swift

I wish I was strong enough	I can feel (18) pain, I can (19) your
To lift not one but both of us	struggle
Someday I will be strong enough	You just (20) live, but everything so low
To (1) not one but (2) of us	That you can drown in a puddle
Uh, ever (3) about losing it?	That's why I gotta hold us up, yeah, hold us up
When your money is all gone and you lose your whip	For all the (21) no one ever spoke for us
You might (4) your grip	So every single time that they play this song
When the landlord (5) you that you're due for rent	You can say that, "That's what Bobby Ray wrote for us"
And the grass so green on the other side	When the tides get too high
Make a (6) wanna run straight through the fence	And the sea up underneath get so deep
Open up the fridge 'bout (7) times	And you feel like you're (22) another person
But you still can't (8) no food in it, that's foolishness	Gettin' lost in the crowd, way up high in the nosebleeds, uh
And sometimes I wonder	Because we've both been there, yeah, both of us
All we (9) so (10) about the way we	But we (23) stand (24) with our
look	shoulders up
And the way we talk and the way we act	And even though we always against the odds
And the clothes we bought, how much that cost?	These are the things that have molded us
Does it even really matter?	And if (25) hadn't chosen us
'Cause if (11) is an uphill battle	Sometimes I wonder where I would've wound up
We all try to climb on the same old ladder	'Cause if it was up to me
In the (12) boat (13) the same old	I'd make a new blueprint
paddle	Then build it from the ground up, hey
Why so shallow, I'm just asking	But if it's all for one and one for all
What's the pattern, to the madness?	Then maybe one day we all could ball
Everybody in a (14) one draft pick	Do it one time for the underdogs
Most of us ain't Hollywood actors	From Bobby Ray to all of y'all
But if it's all for one and one for all	I wish I was strong enough
Then maybe one day we all can ball	To (26) not one but both of us
Do it one time for the underdogs	Someday I will be strong enough
Sincerely yours, from one of y'all	To lift not one but both of us
I wish I was (15) enough	
To (16) not one but both of us	
Someday I will be strong enough	
To lift not one but (17) of us
