

Fill in the gaps

Too many voices, too many noises	So baby come over (11) the end of the sofa
Invisible wires keeping us apart	I'll be (12) man, I'll be your man
So many choices, but they're all disappointments	What are we all looking for?
And they only steal me away from you	Someone we just can't ignore it's
Climb into our own private bubble	Real love dripping from my heart
Let's get into all kinds of trouble	You've got me tripping
Slide over (1) let your (2) feel the	What are we all looking for?
way	(Oooh)
There's no better method to communicate	Slide (13) (14) let (15)
Girl stop your talking words just get in the way	hands feel the way
I'll be (3) man	There's no better method to communicate
So baby come over from the end of the sofa	Girl (16) your (17) words just
I'll be your man, I'll be your man	get in the way
So many faces, (4) at (5)	I'll be your man
shoelaces	Slide (18) here let your hands feel the way
When all (6) wants is to be seen	There's no (19) to
So tonight let's be honest	communicate
We all want to be wanted	Girl stop (21) talking words (22) get in
And darling you got me (7) you	the way
Everything that I'm (8) to say	I'll be (23) man
Just (9) like a worn out (10)	So baby come over (24) the end of the sofa
	I'll be your man, I'll be (25) man
Slide over here let your hands feel the way	I'll be (26) man, I'll be your man
There's no better method to communicate	I'll be your man, I'll be your man
Girl stop your talking words just get in the way	
I'll be your man
