Goodbye My Lover by James Blunt

Did I disappoint you or let you down		I'd spend a lifetime with you		
Should I be feeling guilty or let the judges frown		I know your fears and you know mine		
Cause I saw the end (1) we'd begu	ın	We've had our doubts but now we're fine		
Yes I saw you were blinded and I knew I had won		And I love you, I swear that's true		
So I took what's mine by eternal right		I cannot live without you		
Took your (2) out into the night		Goodbye my lover		
It may be over but it won't stop there		Goodbye my friend		
I am here for you if you'd only care		You have been the one		
You (3) my heart you touched my soul		You have been the one for me		
You changed my (4) and all my goals		Goodbye my lover		
And love is blind and that I (5) when		Goodbye my friend		
My heart was blinded by you		You have been the one		
I've kissed your lips and held your hand		You have (8) the one for me		
Shared your dreams and shared your bed		And I still hold your hand in mine		
I know you well, I know your smell		In mine when I'm asleep		
I've been addicted to you		And I will bare my soul in time
