## Concrete Angel by Martina McBride

She walks to school with the lunch she packed
Nobody knows (1) she's holding back
Wearing the same (2) she (3)
yesterday
She hides the (4) with the (5)
and lace (oh)
The teacher wonders but she doesn't ask
It's (6) to see the pain behind the mask
Bearing the (7) of a secret storm
Sometimes she wishes she was never born
Through the wind and the rain
She stands hard as a stone
In a (8) (9) she can't rise above
But her (10) give her wings
And she flies to a place
Where she's loved
Where she's loved
Concrete angel
Concrete angel
Concrete angel Somebody cries in the middle of the night
Concrete angel  Somebody cries in the middle of the night  The (11) but
Concrete angel  Somebody cries in the middle of the night  The (11) (12) but  (13) (14) out the light
Concrete angel  Somebody cries in the middle of the night  The (11) (12) but  (13) (14) out the light  A fragile soul (15) in the hands of fate

She (19) hard as a stone
In a world that she can't rise above
But her (20) give her wings
And she flies to a place
Where she's loved
Concrete angel
A statue (21) in a shaded place
An angel girl (22) an (23)
face
A name is written on a (24) rock
A broken heart that the world forgot
Through the wind and the rain
She (25) hard as a stone
In a world that she can't rise above
But her dreams (26) her wings
And she flies to a place
Where she's loved
Concrete Angel
