

Fill in the gaps

Concrete Angel by Martina McBride

She walks to school with the lunch she packed
Nobody knows what she's holding back
Wearing the same (1)_____ she wore yesterday
She hides the bruises (2)_____ the linen and lace (oh)
The teacher wonders but she doesn't ask
It's hard to see the pain behind the mask
Bearing the burden of a secret storm
Sometimes she wishes she was never born
Through the (3)_____ and the rain
She stands hard as a stone
In a world that she can't rise above
But her dreams (4)_____ her wings
And she flies to a place
Where she's loved
Concrete angel
Somebody cries in the middle of the night
The neighbors hear but they turn out the light
A fragile soul caught in the hands of fate
When morning comes it will be too late
Through the wind and the rain

She stands hard as a stone
In a world (5)_____ she can't rise above
But her dreams give her wings
And she flies to a place
Where she's loved
Concrete angel
A statue stands in a shaded place
An angel girl with an upturned face
A name is written on a polished rock
A broken (6)_____ that the world forgot
Through the wind and the rain
She stands (7)_____ as a stone
In a world (8)_____ she can't rise above
But her dreams give her wings
And she (9)_____ to a place
Where she's loved
Concrete Angel

Fill in the gaps

Answer
