But now the sky has cleared and it's blue

Hold me closer one more time	And I see my future in you
Say that you love me in your last goodbye	I'll be waiting
Please forgive me for my sins	For you when you're (6) to love me aga
Yes, I swam dirty waters	I put my hands up
But you pushed me in	I'll do everything different
I've (1) your face under every sky	I'll be better to you
Over (2) border and on every line	I'll be waiting
You know my heart more than I do	For you when you're ready to love me again
We were the greatest, me and you	I put my hands up
But we had time against us	I'll be somebody different
And miles between us	Time against us (time against us)
The heavens cried	Miles between us (miles between us)
I know I left you speechless	Heavens cried
But now the sky has cleared and it's blue	I know I (7) you speechless
And I see my future in you	Time against us (time against us)
I'll be waiting	Miles between us (miles between us)
For you when you're ready to love me again	Heavens cried
I put my hands up	I know I left you speechless
I'll do everything different	I know I left you speechless
I'll be (3) to you	But I'll be waiting
I'll be waiting	I'll be waiting
For you when you're ready to love me again	For you when you're ready to love me again
I put my hands up	I put my hands up
I'll be somebody different	I'll do everything different
Let me stay here for just one more night	I'll be better to you
Build your world around me	I'll be waiting
You better pull me to the light	For you (8) you're ready to love me again
So I can tell you that I was wrong	I put my hands up
See, I was a child then	I'll be (9) different
But now I'm willing to learn	I'll be (10) to you
But we had time against us	
And miles between us, the (4) cried	
I (5) I left you speechless
