

Fill in the gaps

	But now the sky has (21) and it's blue
Hold me (1) one more time	And I see my future in you
Say that you love me in (2) last goodbye	I'll be waiting
Please forgive me for my sins	For you when you're ready to love me again
Yes, I swam dirty waters	I put my hands up
But you pushed me in	I'll do (22) different
I've (3) your face under every sky	I'll be better to you
Over every (4) and on every line	I'll be waiting
You know my heart (5) than I do	For you when you're ready to love me again
We (6) the greatest, me and you	I put my hands up
But we had time (7) us	I'll be (23) different
And miles between us	Time (24) us (time against us)
The heavens cried	Miles between us (miles between us)
I know I left you speechless	Heavens cried
But now the sky has cleared and it's blue	I know I left you speechless
And I see my (8) in you	Time against us (time against us)
I'll be waiting	Miles (25) us (miles between us)
For you when you're (9) to love me again	Heavens cried
I put my hands up	I know I left you speechless
I'll do everything different	I know I left you speechless
I'll be better to you	But I'll be waiting
I'll be waiting	I'll be waiting
For you (10) you're (11) to love me	For you when you're ready to love me again
again	I put my hands up
I put my (12) up	I'll do (26) different
I'll be somebody different	I'll be (27) to you
Let me (13) here for just one more night	I'll be waiting
Build (14) world around me	For you when you're ready to love me again
You better pull me to the light	I put my hands up
So I can tell you (15) I was wrong	I'll be somebody different
See, I was a child then	I'll be better to you
But now I'm willing to learn	
But we had (16) (17) us	
And (18) us, the	
heavens cried	
I (20) I left you speechless
