

Shadows all that remain

Fill in the gaps

Until My Last Breath by Tarja Turunen

Jannot cry it loud enough	vvisnes (10) (11) over
'm (1) up this ghost	In (12) (13) of pain
How can I still justify	Until my last breath
When you deny my voice	You'll (14) know
n this nothing I'm not allowed	Until you (15) the silence
(2) (3) alone	When I am gone
Nords as weapons without a sound	Now it's vanishing
Echoes (4) unborn	Everything
Until my last breath	What we (16) have been
You'll never know	Only now your prays
Until you (5) the silence	Call my name
When I am gone	But you won't see again
Now it's vanishing	Until my last breath
Everything	You'll (17) know
What we (6) (7) been	Until you feel the silence
Only now your prays	When I am gone
Call my name	Now it's vanishing
But you won't see again	Everything
Who can (8) this memory?	What we might have been
nside it (9) to burn	Only now (18) prays
Norship by the enemy	Call my name
The guilty take their turns	But you won't see again
Watching as it's disappearing	

1. giving
