They won't leave me alone	Look out, you better play it safe
There's things they all wanna know	You never know what hard times will come (19)
I'm paranoid about the (4) I meet	way
Why are they talking to me	We say, where we're coming from
And why can't anyone see	We've already seen the worst that (20) life can

Don't really care about the things that they say	Now we (21) it everywhere (22)
Don't really care about (5) happens to me	we go

A (8) suit when I'm getting divorced	Don't really (25) about what happens to me
The black suit at the funeral home	(Just wanna live, just wanna live, just wanna live)
And my birthday suit when I'm (9) alone	I just wanna live
Talking on the phone	Don't really care about the things that they say
Got an interview with the Rolling Stone	Don't really care (26) what happens to me
They're saying	(Just wanna live, just wanna live, just wanna live)
"Now you're rich and now you're famous"	I just wanna live
"Fake ass (10) all (11) your name	(Just wanna live, (27) wanna live, just wanna live)
