

Or letters that I sent

Fill in the gaps

If you only knew	It's 4:03 and I can't sleep
I'm (1) by a thread the web I spin for you	Without you next to me I
If you only knew	Toss and (5) like the sea
I'd sacrifice my beating heart (2) I	If I drown tonight
(3) you	Bring me back to life
I still hold onto the letters	Breathe (6) (7) in me
You returned	The only thing that I still believe in is you
I swear I've lived and learned	If you only knew
It's (4) and I can't sleep	If you only knew
Without you next to me I	I still hold onto the letters
Toss and turn like the sea	You returned
If I drown tonight	You help me live and learn
Bring me back to life	It's 4:03 and I can't sleep
Breathe your breath in me	Without you next to me I
The only thing that I still believe in is you	Toss and turn like the sea
If you only knew	If I drown tonight
If you only knew	Bring me back to life
How many times I counted	Breathe your breath in me
All the words that went wrong	The only thing (8) I still believe in is you
If you only knew	Believe in is you
How I refuse to let you go	I still believe in you
Even when you're gone	If you (9) knew
I don't regret any days I spent	
Nights we shared
