

Fill in the gaps

You think that I can't (1) without your love	No one can (6) it from me
You'll see	You'll see
You think I can't go on (2) day	You (7) that you are strong
You think I have nothing	But you are weak
Without you by my side	You'll see
You'll see	It takes more (8) to cry, (9)
Somehow, some way	defeat
You think that I can never laugh again	I have truth on my side
You'll see	You only have deceit
You think that you destroyed my faith in love	You'll see, somehow, some day
You think after all you've done	All by myself
I'll never find my way back home	I don't (10) anyone at all
You'll see	I know I'll survive
Somehow, (3) day	I know I'll stay alive
All by myself	I'll stand on my own
I don't (4) anyone at all	I won't need anyone this time
I know I'll survive	It will be mine
I know I'll (5) alive	No one can take it from me
All on my own	You'll see
I don't need anyone this time	You'll see
It will be mine
