

I'll say this once again

You people, you aren't my friends

The devil, he can't come in

Tonight, that's right

Looking for misery

But she found me

Lying (1)_____ on the floor

I was (2)_____ insane

The devil (3)_____ me his name

But he's not welcome here

Anymore

Tell me, what do you see

(What do you see)

When you're (4)_____ at me?

(When you (5)_____ at me)

This social responsibility

It's killing me

Inside, yeah

Looking for misery

But she found me

Lying naked on the floor

(Stay away, sweet misery)

I was headed insane

The devil told me his name

But he's not welcome here

Fill in the gaps

Anymore
Stay away, sweet misery
Stay away, sweet misery
The pressure's building (6) time
I made it up in my mind
I've got excuses for all these things
That I've tried, in my life
Looking for misery
But she found me
Lying naked on the floor
(Stay away, sweet misery)
I was headed insane
The devil told me his name
But he's not (7) here
Anymore
Stay away, (8) misery
He's not welcome, anymore
Stay away, sweet misery
