

Fill in the gaps

I was (1)	around, just a face in	the crowd	These days the stars	s seem out of reach	
Trying to keep myself out of the rain			(Yeah)		
Saw a vagabond king wear a Styrofoam crown			But these days there ain't a (6) on the streets		
Wondered if I might end up the same			(Oh oh, oh, oh)		
There's a man out on the corner			These days are fast		
Singing old (2) about change			Love don't lasts in this graceless age		
Everybody's got their cross to bare, these days			Even innocence has caught the midnight train		
She came looking for some shelter			And there ain't nobody left but us these days		
With a suitcase full of dreams			(Oh oh, oh, oh)		
To a motel room on the boulevard			I know Rome's still burning		
I guess she's trying to be (3) Dean			(Oh oh, oh, oh)		
She's seen all the disciples		Though the (7)	have changed		
And all the wanna be's			(Oh oh, oh, oh)		
No one wants to be (4)		these days	This (8)	kept turning round	
Still there's nothing to hold on to but these days			And round and round		
These days the stars seem out of reach			These days		
These days there ain't a ladder on the streets			These days the stars seem out of reach		
(Oh no, no, no)			(Yeah)		
These days are fast		But these days the	re ain't a (9)	on these	
Nothing lasts in this graceless age			streets		
There ain't nobody left but us these days			(Oh no, no, no)		
Jimmy shoes busted both his legs			These days are fast		
Trying to learn to fly			Love don't lasts		
From a second story window			There ain't no time to waste		
He just jumped and (5) his eyes			There ain't nobody (10) to take the blame		
His momma said he was crazy			(Oh no, no, no)		
He said "Momma, I've got to try			There ain't nobody left but us these days		
Don't you know that all my heroes died			There ain't nobody left but us these days		
And I guess, I'd rather die tl	han fade away				
(Yeah)
