

Fill in the gaps

I was walking around, just a face in the crowd	These days the stars seem out of reach
Trying to keep myself out of the rain	(Yeah)
Saw a vagabond king wear a Styrofoam crown	But these days there ain't a (6) on the streets
Wondered if I might end up the same	(Oh oh, oh, oh)
There's a man out on the corner	These days are fast
Singing old songs about change	Love don't lasts in this graceless age
Everybody's got their (1) to bare, these days	Even innocence has caught the (7) train
She came looking for some shelter	And there ain't nobody left but us these days
With a (2) full of dreams	(Oh oh, oh, oh)
To a motel room on the boulevard	I know Rome's still burning
I guess she's trying to be James Dean	(Oh oh, oh, oh)
She's seen all the disciples	Though the times have changed
And all the wanna be's	(Oh oh, oh, oh)
No one wants to be themselves these days	This world kept turning round
Still there's nothing to (3) on to but these days	And round and round
These days the stars seem out of reach	These days
These days there ain't a ladder on the streets	These days the stars seem out of reach
(Oh no, no, no)	(Yeah)
These days are fast	But these days (8) ain't a ladder on these streets
Nothing lasts in this graceless age	(Oh no, no, no)
There ain't nobody left but us these days	These days are fast
Jimmy shoes busted both his legs	Love don't lasts
Trying to learn to fly	There ain't no time to waste
From a second (4) window	There ain't nobody left to take the blame
He just jumped and closed his eyes	(Oh no, no, no)
His momma said he was crazy	There ain't nobody left but us (9) days
He said "Momma, I've got to try	There ain't nobody left but us these days
Don't you (5) that all my heroes died	
And I guess, I'd rather die than fade away	
(Yeah)
