Like I Love You by Justin Timberla
Just something about you
The way I'm lookin' at you, whatever
You keep lookin' at me
You gettin' scared now, right?
Don't fear me baby, it's just Justin
It feel good right?
Listen
I kind of noticed, from one night
From the club, your front face
It's kind of weird to me
Since you're so fine
If it's up to me your face will change
If you smiling, that should set the tone
Just be limber
And if you let go
The music should groove (1) bones
Just remember
Sing this song with me
Ain't (2) love you (3) I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I (4) you
People are so phony
Nosy 'cause they're lonely
Aren't you sick of the same thing?
They say so and so was dating
Love you or they're hatin'
When it doesn't matter anyway
'Cause we're here tonight

If you smiling, that should set the tone Just be limber, baby And if you let go, the music should groove your bones Baby, just remember Sing this song (5)_____ me Ain't nobody love you like I love you You're a good girl and that's what makes me trust ya (Hey) late at night, I talk to you You will know the difference when I touch you Yeah, you know I can make ya happy I could change your life If you give me that chance To be your man I won't let you down baby If you give me that chance To be your man Here baby, put on my jacket And then Maybe we'll fly tonight (I just wanna love you baby) (Yeah, yeah, yeah) Maybe we'll fly tonight (I just wanna love you baby) Girl Ma, what you wanna do? I'm in front of you Grab a friend, see I can have fun with two Or me and you put on a stage show

And the mall kids, that's how to (6)___

We the same type, you my air of life

From them you heard "wow, it's the same glow"

Look at me, I say "yeah, it's the same dough"

SUB inglés

You have sleepin' in the same bed, every night
Go rock with me, you deserve the best
Take a few shots
Let it burn in your chest
We could ride down
Pumpin' N.E.R.D. in the deck
Funny how a few words turn into sex
Play this free, joint called "Brain"
Ma, take a hint
Make me swerve in the lane
The name Malicious
And I burn every track
Clipse and J. Timberlake
Now how heavy is that?
Maybe we'll fly tonight (I (7) wanna love you baby)
(Yeah, yeah, yeah)
Maybe we'll fly tonight (I just wanna love you baby)
