

Fill in the gaps

Look at me	Staring (2) (3) at me
You may think you see	Why is my reflection
Who I really am	Someone I don't know
But you'll never know me	Must I (4) that I'm
Every day	Someone else
It's as if I play a part	For all time
Now I see	When will my reflection show
If I wear a mask	Who I am inside
I can fool the world	There's a heart that must be free to fly
But I cannot fool my heart	A (5) (6) a need to know the
Who is that girl I see	(7) why
Staring straight back at me	Why must we all conceal
When will my reflection show	What we think
Who I am inside	How we feel
I am now	Must there be a (8) me
In a world where I	I'm forced to hide
Have to hide my heart	I won't pretend that I'm
And (1) I believe in	Someone else
But somehow	For all time
I will show the world	When will my reflection show
What's inside my heart	Who I am inside
And be loved for who I am	When will my (9) show
Who is that girl I see	Who I am inside
