

And then you missed me

Fill in the gaps

Can you imagine no love, pride, deep-fried chicken
oan you imagine no love, plide, deep-med chicken
Your best friend always sticking up for you
Even (5) I know you're wrong
Can you imagine no first dance, freeze-dried romance
Five-hour phone conversation
The best soy latte that you ever had, and me?
But tell me, did the (6) sweep you off your feet?
Did you finally get the chance
To dance along the light of day
And head back (7) the Milky Way?
But tell me, did you sail across the sun?
Did you make it to the Milky Way
To see the lights all faded
And that heaven is overrated?
And tell me, did you fall for a shooting star?
One without a permanent scar
And then you missed me
While you were looking for yourself?
(Na na na)
And did you (8) get the chance
To dance along the light of day?
(Na na na)
And did you fall for a shooting star?
Fall for a (9) star?
(Na na na)
And now you're lonely looking for yourself out there
