

## Fill in the gaps

The cycle repeated
As explosions broke in the sky
All that I needed
Was the one thing I couldn't find
And you were there at the turn
Waiting to let me know
We're building it up
To break it (1) down
We're building it up
To burn it down
We can't wait
To burn it to the ground
The colors conflicted
As the flames climbed into the clouds
I wanted to fix this
But couldn't stop from tearing it down
And you (2) there at the turn
Caught in the burning glow
And I was there at the turn
Waiting to let you know
We're building it up
To break it back down
We're (3) it up
To burn it down
We can't wait
To burn it to the ground
You told me yes

You held me high
And I believed when you (4) that lie
I played soldier, you played king
And struck me (5) when I kissed that ring
You lost that right to hold that crown
I (6) you up but you let me down
So when you fall, I'll (7) my turn
And fan the flames as your blazes burn
And you were there at the turn
Waiting to let me know
We're building it up
To break it (8) down
We're building it up
To burn it down
We can't wait
To burn it to the ground
When you fall, I'll take my turn
And fan the (9) as your blazes burn
We can't wait
To burn it to the ground
When you fall, I'll take my turn
And fan the flames as your blazes burn
We can't wait
To burn it to the ground
