The cycle repeated	
As explosions (1)	in the sky
All that I needed	
Was the one (2)	I couldn't find
And you were there at the t	turn
Waiting to let me know	
We're building it up	
To break it back down	
We're building it up	
To burn it down	
We can't wait	
To burn it to the ground	
The colors conflicted	
As the flames climbed into the clouds	
I wanted to fix this	
I wanted to fix this But couldn't (3)	from tearing it down
But couldn't (3)	turn
But couldn't (3)And you were there at the t	turn
But couldn't (3) And you were there at the t Caught in the burning glow	turn
But couldn't (3)And you were there at the to Caught in the burning glow And I was there at the turn	turn
But couldn't (3)And you were there at the tage of Caught in the burning glow And I was there at the turn Waiting to let you know	turn
But couldn't (3) And you were there at the t Caught in the burning glow And I was there at the turn Waiting to let you know We're (4)	turn
But couldn't (3)And you were there at the to Caught in the burning glow And I was there at the turn Waiting to let you know We're (4)To break it back down	turn

You held me high
And I believed (5) you told that lie
I played soldier, you (6) king
And struck me down (7) I kissed that ring
You lost that right to hold that crown
I built you up but you let me down
So when you fall, I'll take my turn
And fan the flames as your blazes burn
And you were there at the turn
Waiting to let me know
We're building it up
To break it (8) down
We're building it up
To burn it down
We can't wait
To burn it to the ground
When you fall, I'll (9) my turn
And fan the flames as (10) blazes burn
We can't wait
To burn it to the ground
When you fall, I'll take my turn
And fan the flames as your blazes burn
We can't wait
To burn it to the ground
