

Fill in the gaps

You sing a song	When things look low
While sittin' at a red light	You've (10) keep strong
You (1) of home	Feet to the grass
While sittin' at a red light	You've gotta walk it off
Too (2) to roll	The bows been tied
Put your life on hold	Too tight to laugh
An open path	Feet to the ground
With (3) to go	You've gotta walk it off
You (4) to wonder	You can run a red light
While sittin' at a red light	You can run a red light
You can run a red light	Start to think
Give up at a red light	Am I (11) too much
You break the mold	Should I keep going
When runnin' through the tolls	Lose the life (12) I love
Speeding through (5) whole life	(Oh)
A chance to breathe	You can run a red light
While sittin' at a red light	Give up at a red light
You look around	You (13) the mold
Reflectin' on your life	When runnin' through the tolls
A chance to think	Speedin' through (14) whole life
Am I drinkin' too much	You can run a red light
Should I keep goin'	Give up on (15) whole life
Lose the life that I love	You (16) the mold
A second glance	When runnin' through the tolls
When comin' to a red light	Speedin' through your whole life
You can run a red light	(Oh)
Give up at a red light	You can run a red light
You break the mold	(Oh oh oh)
When runnin' through the tolls	(Yeah)
Speedin' (6) your (7) life	You can run a red light
You can run a red light	
Give up on your whole life	You (17) a song
You break the mold	While sitting at a red light
When runnin' through the tolls	
Speedin' through (8) (9) life
