

## Fill in the gaps

I never really feel quite (1) I don't know why
All I know is something wrong
Every time I look at you, you seem so alive
Tell me how do you do it, walk me through it
I'm following every footstep
Maybe on your own you take a cautious step
Till wanna (2) it up
But all I want is for you to shine
Shine down on me
Shine on this (3) that's burning out
I say a lot of things sometimes
That don't come out right
And I act like I don't know why
I (4) a reaction is all I was looking for
Yeah
You (5) through me
You really knew me
Like no one has ever looked before
Maybe on your own you (6) a cautious step
Till wanna give it up

But all I (7) is for you to shine
Shine down on me
Shine on this life that's burning out
I know, I know, girl you got something
Shine, shine it on to me
Shine down on me, I wanna feel it
Shine on this (8) that's burning out
Maybe on your own you take a cautious step
Till wanna (9) it up
But all I want is for you to shine
Shine down on me, just show me something
Shine on this life that's burning out
You give me something that I never know
Shine, it's gonna kill me if you give something away
Shine (yeaaah)
I wanna know what's going in on your mind
Shine on this life that's (10) out
