

Why does it feel like night today?

Fill in the gaps

Something in here's not right t	oday	
Why am I so uptight today?		
Paranoia's all I got left		
I don't know what stressed me	efirst	
Or how the pressure was fed		
But I know just what it feels like		
To have a voice in the back of my head		
It's like a face that I hold inside		
A face that (1)	when I close m	ny eyes
A face watches every time I lie	e	
A face that laughs every time I fall		
(And watches everything)		
So I know that when it's time to sink or swim		
That the face inside is hearing me		
Right beneath my skin		
It's like I'm, paranoid lookin' over my back		
It's like a, whirlwind inside of my head		
It's like I, can't stop what I'm hearing within		
It's like the face inside is right beneath my skin		
I know I've got a face in me		
Points out all the mistakes to me		
You've got a face on the inside too and		
Your paranoia's probably worse		
I don't know what set me off first		
But I know what I can't stand		
Everybody acts like the fact of the matter is		
I can't add up to what you can		
But everybody has a face that they hold inside		
A face that awakes when they close their eyes		
A face (2)	(3)	time they lie

A face that laughs every time they fall
