(And watches everything)

Why (1)	it feel like night today?		
Something in here's not right today			
Why am I so uptight today?			
Paranoia's all I got left			
I don't know what stressed me first			
Or how the pressure was fed			
But I know just what it feels like			
To have a voice in the back of my head			
It's like a face that I hold inside			
A face that awakes when I close my eyes			
A face watches every time I lie			
A face that laughs	every time I fall		
(And watches ever	ything)		
So I know that whe	n it's time to sink or swim		
That the face inside	e is hearing me		
Right beneath my skin			
It's like I'm, parano			
It's like a, whirlwing	I inside of my head		
It's like I, can't stop	what I'm (2)	within	
It's like the face ins	ide is right beneath my skin		
I know I've got a fa	ce in me		
Points out all the m	istakes to me		
You've got a face of	on the inside too and		
Your paranoia's pro	obably worse		
I don't know what s	et me off first		
But I know what I c	an't stand		
Everybody acts like the fact of the matter is			
I can't add up to what you can			
But everybody has	a face that they hold inside		
A face that awakes when they close their eyes			
A face watches (3)) time they lie		
A face that laughs	every time they fall
