

## Fill in the gaps

When you were (1) in the wake of		You build up hope but failure's all you've known	
devastation		Remember all the (6) and frus	stration
When you were waiting on the edge of the unknown		And let it go	
And with the cataclysm raining down		Let it go	
Insides crying, save me now		Let it go	
You (2) there, impossibly alone		Let it go	
Do you feel cold and lost in desperation		Let it go	
You build up hope but (3)	all	Let it go	
(4) known		Do you feel cold and (7) in desperation	n
Remember all the sadness and frustration		You build up hope but failure's all you've known	
And let it go		Remember all the (8) and frus	stration
Let it go		And let it go	
And in a burst of light that blinded every angel		Let it go	
As if the sky had (5) the heavens into stars			
You felt the gravity of tempered grace			
Falling into empty space			
No one there to catch you in their arms			
Do you feel cold and lost in desperation
