

Fill in the gaps

i am trying to realize	But I (17) (18) this has (19)
I can do (1) on my own	made for me
Everything (2) I (3) to build, crumbles	Is there something more that I can say?
Into nothing	But your ways are different and (20) out to me
It's safe to say that no (4) what	No (21) what I do, you always stay the same
I try and fall so short	And I will have the (22) to say
This unrelenting break	There is more to this life I'm living
Continues to (5) the space	There is more
Between you and I	There is more
Is (6) any point in trying to change?	And during the mess of struggles
No matter (7) I do, It (8) stays the	I'm finding the man
same	You've combed me to be
But I feel like this has been (9) for me	Your (23) (24) me
Is (10) more that I	That though I am broken
can say?	I am still standing, I'm still screaming
All I want, is to let go	Is there any point in trying to change?
I've tried so hard, (12) still grows	No matter what I do, It always stays the same
Just for once to breathe in deep	And I will have the choice to say
And can't juggle after (14) you say at me	There is more to (25) life I'm living
So many years of sorrow and gray	There is more to this life I'm living
The bitterness I taste is things left to fray	There is more to this life I'm living
How can I forget the joy of the mountaintops?	
Down in the valleys	
Is there any point in (15) to change?	
No (16) what I do, It always stays the same
