

Fill in the gaps

am trying to realize	But I feel like (/) has (8) made for me
I can do nothing on my own	Is there something more that I can say?
Everything that I start to build, crumbles	But your ways are different and call out to me
Into nothing	No matter what I do, you always stay the same
It's safe to say that no matter what	And I will have the choice to say
I try and (1) so short	There is more to this life I'm living
This unrelenting break	There is more
Continues to widen the space	There is more
Between you and I	And during the mess of struggles
Is there any point in trying to change?	I'm finding the man
No matter what I do, It always stays the same	You've combed me to be
But I (2) like this has been made for me	Your love reminds me
Is there (3) more (4) I can	That (9) I am broken
say?	I am still standing, I'm still screaming
All I want, is to let go	Is there any point in trying to change?
I've tried so hard, this pride still grows	No matter what I do, It always stays the same
Just for once to breathe in deep	And I will have the choice to say
And can't juggle after what you say at me	There is (10) to this life I'm living
So many years of sorrow and gray	There is more to this life I'm living
The bitterness I taste is things left to fray	There is more to this life I'm living
How can I forget the joy of the mountaintops?	
Down in the valleys	
Is there any point in trying to change?	
No matter what I do, It (5) (6)
