

## Fill in the gaps

I am trying to realize
I can do nothing on my own
Everything that I start to build, crumbles
Into nothing
It's safe to say that no matter what
I try and fall so short
This unrelenting break
Continues to widen the space
Between you and I
Is there any point in trying to change?
No matter what I do, It always stays the same
No matter what I do, It always stays the same But I feel like this has been made for me
• • •
But I feel like this has been made for me
But I feel like this has been made for me  Is (1) something more that I can say?
But I feel like this has been made for me  Is (1) something more that I can say?  All I want, is to let go
But I feel like this has been made for me Is (1) something more that I can say? All I want, is to let go I've tried so hard, this pride still grows
But I feel like this has been made for me  Is (1) something more that I can say?  All I want, is to let go  I've tried so hard, this pride still grows  Just for once to breathe in deep
But I feel like this has been made for me  Is (1) something more that I can say?  All I want, is to let go  I've tried so hard, this pride still grows  Just for once to breathe in deep  And can't juggle after what you say at me
But I feel like this has been made for me  Is (1) something more that I can say?  All I want, is to let go  I've tried so hard, this pride still grows  Just for once to breathe in deep  And can't juggle after what you say at me  So many (2) of sorrow and gray
But I feel like this has been made for me  Is (1) something more that I can say?  All I want, is to let go  I've tried so hard, this pride still grows  Just for once to breathe in deep  And can't juggle after what you say at me  So many (2) of sorrow and gray  The bitterness I taste is things (3) to fray

Down in the valleys

s there something more that I can say?	
But your ways are different and call out to me	
No matter what I do, you (6) stay the same	
And I will have the choice to say	
There is more to this life I'm living	
There is more	
There is more	
And during the mess of struggles	
'm finding the man	
You've combed me to be	
Your love reminds me	
Γhat though I am broken	
am still standing, I'm still screaming	
s there any point in trying to change?	
No matter (7) I do, It always stays the same	
And I will (8) the choice to say	
There is more to this life I'm living	
There is more to this life I'm living	
There is more to (9) (10) I'm living
