#### If It Means A Lot To You by A Day To Remember

And hey darling	This will all be in our past
I hope you're good tonight	Well, it might be for the best
And I know you don't feel right when I'm leaving	You (5) you can't (6) me what I need
Yeah, I want it but no, I don't need it	And even though you mean so much to me
Tell me something sweet to get me by	I can't wait through everything
'Cause I can't come back home 'til they're singing	Is this really happening?
(La, la la la, la la la)	I swear I'll never be happy again
'Til everyone is singing	And don't you (7) say we can just be friends
If you can wait 'til I get home	I'm not some boy that you can sway
Then I swear to you that we can make this last	We knew it'd happen eventually
(La la la)	(La, la la la, la la la)
If you can wait 'til I get home	Now everybody's singing
Then I swear (1) tomorrow	(La, la la la, la la la)
This will all be in our past	Now everybody's singing
Well it might be for the best	(La, la la la, la la la)
And hey sweetie	If you can wait 'til I get home
Well, I need you here tonight	Now everybody's singing
And I know that you don't wanna be leaving me	(La, la la la, la la la)
Yeah, you want it but I can't help that	Then I swear we can (8) this last
I just (2) (3) when you're by	Now everybody's singing
my side	(La, la la la, la la la)
But I know you can't come home 'til they're singing	If you can wait 'til I get home
(La, la la la, la la la)	Now everybody's singing
'Til everyone is singing	(La, la la la, la la la)
(La, la la la, la la la)	Then I swear we can make this last
If you can (4) 'til I get home	Now everybody's singing
Then I swear to you	(La)
That we can make this last	
(La la la)	
If you can wait 'til I get home
