### Keep The Lights On by Close Your Eyes

Everything that I despise	That holds me in the dark
Consumes me when I (1)_____ my eyes	That (8)_____ me in the dark
I don't know if I can change the way I feel	I hope you can hear me
Despite the light that you have shone	I'll keep singing this song
The dark has become what I know	Even if there's no air left
And I am fighting to (2)_____ my way out of it	And dirt fills up these lungs
I am (3)_____ so (4)_____ to forget	Please keep the lights on
This constant aching feeling that stirs inside my chest	I am trying to make it home
The fear in me always drags me down	The sun is sinking
The guilt I feel will not let me get up again	But I won't go down with it
I'm (5)_____ by the weight	Please keep the lights on
I was younger then, careless and innocent	I am trying to make it home
I never thought my words could mean so much	The sun is sinking
But I am (6)_____ now, I (7)_____ be	But I won't go down with it
screaming out	The sun is sinking
So why is it that I keep my mouth shut?	The sun is sinking
Why do I try so hard to forget	The sun is sinking
The forgiveness that is in your hands	I won't go down with it
And the mercy in your words?	
You are calling me to seek you and find rest	
And leave behind the emptiness
