Planetary (GO!) by My Chemical Romance

ridiotary (GG:) by My Grionino
There might be something outside your window
But you'll just never know
There could be something right past the turnpike gates
But you'll just never know
If my velocity starts to make you sweat
Then just don't let go
And if their heaven ain't got a vacancy
Then we just, (1) we just, then we just
Then we just get up and go
Ladies and gentlemen
Truth is now acceptable
Fame is now injectable
Process the progress
This core is critical
Faith is unavailable
Lives become incredible
Now, please understand that
I can't slow down
I won't be waiting for you
I can't stop now
Because I'm dancing
This planet's ours to defend
Ain't got no time to pretend
Don't (2) around
This is our last chance
If my velocity starts to make you sweat
Then just don't let go
'Cause the emergency room got no vacancy

And we just, and we just, and we just

And we just get up and go!

(Who) (3) want you to be
(Who) they wanted to see
(Go) kill the party with me
And never go home
(Who) (4) want you to be
(Who) they (5) to see
Just leave the party with me
And never go home
You're unbelievable
(Ah) so unbelievable
(Ah) you ruin everything
(Oh) you better go home
I'm unbelievable
Yeah, I'm undefeatable
Yeah, let's ruin everything
Blast it to the (6) row
They sell presentable
Young, and so ingestible
Sterile and collectible
Safe, and I can't stand it
This is a letter my word
Is the berretta
The sound of my vendetta
Against the (7) who planned it
If my velocity starts to make you sweat
Then just don't let go
'Cause the emergency room got no vacancy
Tell me who do you trust, do you trust
And we just

Get up and go!
(Who) they want you to be
(Who) they wanted to see
(Go) kill the party with me
And never go home
(Who) they want to be
(Who) they (8) to see
Just leave the party with me
And never go home
You keep eternity
Give us the radio
Deploy the battery
We're taking back control
Engage the energy
Light up the effigy
No chance to take it slow
By now I'm sure you know
Know, know, know, know
Get up and go!
(Who) they want you to be
(Who) they wanted to see
(Go) kill the party with me
And never go home
(Who) they want to be
(Who) they wanted to see
Just leave the party with me
And never go home

Are we still having fun?

Are you holding the gun?

Take the money and run

We'll never go home

I've got (9) to lose
You've got nothing to say
And we're leaving today
We'll never go home
I think I'm better go now
I think I'm better go now
I think I'm better go now (go home)
I think I'm gonna go now

Go home
