Nothing you could say can stop me going home

Fill in the gaps

Famous Last Words by My Chemical Romance

Now I know that I can't make you stay	These bright (6) have always blinded me
But where's your heart?	These bright lights (7) always blinded me
But where's your heart?	I say
But where's your?	I see you lying next to me
And I know there's nothing I could say	With words I thought I'd never speak
To change that part	Awake and unafraid
To change that part	Asleep or dead
To change	'Cause I see you lying next to me
So many bright lights to (1) a shadow	With words I thought I'd (8) speak
But can I speak?	Awake and unafraid
Well, is it hard understanding I'm incomplete?	Asleep or dead!
A life that's so demanding, I get so weak	'Cause I see you lying next to me
A love that's so demanding, I can't speak	With words I thought I'd never speak
am not afraid to (2) on living	Awake and unafraid
am not afraid to walk this world alone	Asleep or dead!
Honey if you stay, I'll be forgiven	I am not afraid to keep on living
Nothing you could say can stop me (3) home	I am not afraid to walk this world alone
Can you see my eyes are shining bright	Honey if you stay, I'll be forgiven
Cause I'm out here on the other side	Nothing you could say can stop me going home
Of a jet (4) hotel mirror and I'm so weak	I am not afraid to keep on living
s it hard understanding I'm incomplete?	I am not (9) to walk this world alone
A love that's so demanding I get weak	Honey if you stay, I'll be forgiven
am not afraid to keep on living	Nothing you could say can stop me going home
am not (5) to walk this world alone	
Honey if you stay, I'll be forgiven
