The Ghost Of You by My Chemical Romance

I never said I'd lie and wait forever	Never coming home
If I died, we'd be together	Never coming home
I can't always just forget her	Could I? (7) I?
But she could try	And all the wounds that are ever gonna scar me
At the end of the world	For all the ghosts that are never gonna catch me
Or the last thing I see	If I fall
You are	If I fall (down)
Never coming home	
Never coming home	At the end of the world
Could I? (1) I?	Or the last thing I see
And all the things that you never ever told me	You are
And all the (2) that are ever ever	Never coming home
Ever	Never coming home
Get the feeling (3) you're never	Never coming home
All alone and I remember now	Never coming home
At the top of my (4) in my arms she dies	And all the things that you never ever told me
She dies	And all the smiles that are (8) (9)
At the end of the world	haunt me
Or the last thing I see	Never coming home
You are	Never coming home
Never coming home	Could I? Should I?
Never coming home	And all the wounds that are ever gonna scar me
Could I? Should I?	For all the ghosts that are never gonna
And all the things (5) you never ever told me	
And all the smiles (6) are ever gonna haunt me
