Something That You Said by The Bangles

Everything in a moment starting where	Never so far you can't call me back
Something you (1) is hanging in the air	I'm never more than a (13) kiss away
Now I know my (2) is sweetening	And I feel so real
Changing everything	And it feels so right
Something that you said	Something that you said
Turned me from the inside out	Turned me from the inside out
Running through my head	Running through my head
Something I (3) dreamed about	Something I had (14) about
And I feel so real	And I feel so real
And it (4) so right	And it feels so right
Showing you every weakness	Something that you said
And feeling strong for it	Turned me (15) the (16) out
I used to run from real love	Lying in my bed
Now I (5) for it	Whispering (17) (18) out loud
Now I (6) (7) I've been missing	And I feel so real
Since I've (8) listening	And it feels so right
Something that you said	Something that you said
Turned me (9) the inside out	Turned me (19) the inside out
Lying in my bed	Running (20) my head
Whispering your name out loud	Something I had dreamed about
And I (10) so real	And it feels so real
And it (11) so right	And it feels so right
Something (12) you said	Something that you said
Got through to me tonight
