## New Perspective by Panic! At The Disco

I feel the salty (1) coming	And I'll admire you expensive taste
I (2) them crash against my skin	Who cares divine intervention
And I smile as I respire	I wanna be praised from a new perspective
Because I know they'll never win	But leaving now could be a good idea
There's a haze above my TV	So catch me up I'm getting out of here
That (3) everything I see	Catch me up I'm getting out of here
And maybe if I continue watching	More (14) the (15) I need to show
I'll lose the traits that worry me	How much I can come and go
Can we fast-forward to go down on me	Other plans fell through
Stop there and let me correct it	And put a (16) load on you
I wanna (4) the life from a new perspective	I know there's no more that need be said
You (5) along (6) I (7)	When I'm inching through your bed
your face	Take a look (17) instead and
And I (8) admire your expensive taste	(18) me go
Who cares divine intervention	Stop there and let me correct it
I (9) be praised (10) a new	I wanna live the life from a new perspective
perspective	You come (19) because I love your face
But leaving now could be good idea	And I'll (20) (21) expensive taste
So catch me up I'm getting out of here	Who (22) divine intervention
Can we fast-forward to go down on me	I wanna be praised from a new perspective
Taking everything for granted	But leaving now could be a good idea
But we still respect the time	So catch up I'm getting out of here
We move (11) with some new passion	It's not (23) just let me perfect it
Knowing everything it's fine	Don't wanna live the the life that is comprehensive
I would (12) and watch the (13) fall	'Cause see it (24) (25) be a bad
In a hundred separate lines	idea
But I regain repose and wonder	Now catch me up I'm getting of here
How I ended up inside	So catch me up I'm getting out of here
Can we fast-forward to go down on me	
Stop there and let me correct it	
I wanna live the life from a new perspective
