New Perspective by Panic! At The Disco

I feel the salty waves coming
I feel (1)_____ crash against my skin
And I smile as I respire
Because I (2)_____ they'll never win
There's a haze above my TV
That changes (3)_____ I see
And maybe if I continue watching
I'll lose the traits that worry me
Can we fast-forward to go down on me
Stop there and let me correct it
I wanna live the life from a new perspective
You come along because I love your face
And I will admire your expensive taste
Who cares divine intervention
I wanna be praised from a new perspective
But leaving now could be good idea
So (4)_____ me up I'm getting out of here
Can we fast-forward to go down on me
Taking everything for granted
But we still respect the time
We move (5)_____ with some new passion
Knowing everything it's fine
I would wait and watch the hours fall
In a hundred separate lines
But I regain repose and wonder
How I ended up inside
Can we fast-forward to go down on me
Stop there and let me correct it
I wanna live the life from a new perspective
You come (6)_____ because I love your face

And I'll admire you expensive taste
Who cares divine intervention
I wanna be praised from a new perspective
But leaving now could be a good idea
So catch me up I'm getting out of here
Catch me up I'm getting out of here
More than the point I need to show
How much I can come and go
Other plans fell through
And put a heavy load on you
I know there's no more that (7)_____ be said
When I'm inching through your bed
Take a look around instead and watch me go...
Stop there and let me correct it
I wanna live the life from a new perspective
You come along because I love your face
And I'll (8)_____ your expensive taste
Who cares divine intervention
I wanna be praised from a new perspective
But leaving now could be a good idea
So (9)_____ up I'm getting out of here
It's not (10)_____ just let me perfect it
Don't wanna live the the life that is comprehensive
'Cause see it clear could be a bad idea
Now catch me up I'm getting of here
So catch me up I'm getting out of here
...

Answer
