New Perspective by Panic! At The Disco

I feel the salty waves coming	And I'll (6) you expensive taste
I feel them crash against my skin	Who cares divine intervention
And I smile as I respire	I wanna be praised from a new perspective
Because I know they'll never win	But leaving now could be a good idea
There's a haze above my TV	So catch me up I'm getting out of here
That changes everything I see	Catch me up I'm getting out of here
And maybe if I continue watching	More than the point I need to show
I'll lose the traits that worry me	How much I can (7) and go
Can we fast-forward to go (1) on me	Other plans fell through
Stop there and let me correct it	And put a heavy load on you
I wanna live the life from a new perspective	I know there's no more that need be said
You come along because I love your face	When I'm inching through your bed
And I will admire your expensive taste	Take a look around instead and (8) me go
Who cares divine intervention	Stop there and let me correct it

In a hundred separate lines	'Cause see it clear could be a bad idea
