

## Fill in the gaps

Move! and show me what you can do	And show me what you can do
When you step (1) the circle and shake like we do	When you step (21) the circle and
And move when you just can't take it and	(22) like we do
Move! If you just feel (2) breaking it	And move! When you (23) can't take it and
Can you hear me? stop	Move! If you just feel like breaking it
Look, listen to my voice	Move! And show me what you can do
It was (3) my choice to (4) all alone	When you step into the circle and (24) like we
This is my (5) back up	do
You don't (6) if you've (7) been here	And move! When you just can't take it and
You've never (8) to the (9) inside	Move! If you just (25) like (26)
I face my fears it takes everything I am	it
Move! And show me what you can do	I come crashing to the floor
When you step into the (10) and shake like	And I know there must be more like me
we do	I've seen this all before
And move! When you just can't take it and	I can't carry this anymore
Move! If you just feel (11) breaking it	Break free
Move! And (12) me what you can do	So breath, and leave
When you (13) into the circle and shake like we do	Until the storm is over
And move! When you (14) can't take it and	'Cause underneath
Move! If you (15) feel like (16)	There's a (27) passin over
it	So breath, let's leave
Come (17) me, stop	Until the storm is over
Look, listen to my voice	Because I want to take you away
If you're making the choice	Move! And show me what you can do
Tell all the girls and the boys	When you step into the circle and shake like we do
Either (18) or rejoice	And move! When you just can't take it and
Let's make that noise	Move! If you just feel like breaking it
Either (19) or we will all be destroyed	Move! And show me what you can do
Back up and let go, if you've never been here	When you step into the circle and (28) like we
You've never been to the place inside	do
I face my fears, it (20) everything I am	And move! When you just can't take it and
If you just move!	Move! If you just feel like breaking it
