Another summer day Has come and gone away In Paris and Rome But I wanna go home May be surrounded by A million people I Still feel all alone I just wanna go home (Oh) I miss you, you know And I've been keeping all the letters That I wrote to you Each one a line or two I'm fine baby, how are you? Well I would send (1)\_\_\_\_ I know that it's just not enough My words were (2)\_\_\_\_\_ and flat And you deserve more than that Another airplane Another sunny place I'm lucky, I know \_\_ go home But I (3)\_ I've got to go home Let me go home I'm just too far From where you are

I wanna come home And I feel just like I'm living
