

Fill in the gaps

You're a falling star	(Uh) That I am your man
You're the (1) car	And I get to kiss you (7) just (8)_
You're the line in the sand when I go too far	I can
You're the swimming pool on an August day	Whatever comes our way
And you're the perfect (2) to say	(Ah) We'll see it through
And you play it coy	And you know that's what our love can do
But it's kind of cute	And in this crazy life
(Oh) When you smile at me	And through these crazy times
You (3) exactly what you do	It's you, it's you, you make me sing
Baby don't pretend	You're every line
That you don't know it's true	You're (9) word
'Cause you can see it when I look at you	You're everything
And in this crazy life	(So la, la, la, la, la, la)
And through these (4) times	(So la, la, la, la, la, la)
It's you, it's you, you make me sing	And in this crazy life
You're every line	And through these (10) times
You're every word	It's you, it's you, you make me sing
You're everything	You're every line
You're a carrousel	You're every word
You're a (5) well	You're everything
And you (6) me up	You're every song
When you ring my bell	And I sing along
You're a mystery	'Cause you're my everything
You're from out of space	(So la, la, la, la, la, la)
You're every minute of my everyday	(So la, la, la, la, la, la)
And I can't believe
