Champion Sound by Crystal Fighters

Rejoice I could, rejoice I could	When I see her Imma say yeah
Could take a choice, the choice I took	I'm on my hope she say yeah
To take the choices out of your hands	I wanna try to say her this some day
And put'em in my hands	I wanna find my girl, love will be amazing
And it's all good, yeah it's all good	Champion sound
I got the bag, got the books	I wanna find my girl, (7) will be amazing
Skip the town, goodbye	Champion sound
With no bad feelings	I (8) find my girl, love will be amazing
No heartbroke, I hit the road	Champion sound
And so I moved to England	I wanna find my girl, love will be amazing
And started seeing	Champion sound
Started (1) what we're doing	When you find that love inside of me
Still doing everything we want to	Deep within the heart of me
And (2) one day we'll go to rehab	Deep within my, deep within my
Or (3) to Argentina, it's not that far away	Deep within the heart of me
Any day now	When you find that love inside of me
Let's hope that someday I play my concertina	Deep within the heart of me
To an arena full of people	Deep within my, deep within my
Or dream my life away	Deep within the heart of me
Dreaming of the day	When you find that love inside of me
I wanna find my girl, love will be amazing	Deep within the heart of me
Champion sound	Deep within my, deep within my
I wanna find my girl, love will be amazing	Deep within the heart of me
Champion sound	When you find that love inside of me
I wanna find my girl, love will be amazing	Deep within the heart of me
Champion sound	Deep within my, deep within my
I (4) find my girl, (5) will be amazing	Deep within the heart of me
Champion sound	When you find that love (9) of me
I wanna find my girl, (6) will be amazing	Deep within the (10) of me
Champion sound	Deep within my, deep within my
I wanna find my girl, love will be amazing	Deep within the heart of me
Champion sound	When you find that love inside of me
And maybe one day we'll go to rehab	Deep within the heart of me
Or back to Argentina, it's not that far away	Deep within my, deep within my
Any day now	Deep within the heart of me
Let's hope that someday I play my concertina	I wanna find my girl, love will be amazing
To an arena full of people	Champion sound
Or dream my life away
