Lucidity by Tame Impala

Fill in the gaps

I know where you went
But I don't know how you got there
I (1) where you went
But I don't (2) how you got there
Silver tongue hill
Where you (3) up what I'd play down
I would (4) up
But I wouldn't know what to say
Lucidity, come back to me
Put all five senses back to
Where they're meant to be
(Oh) it's hard to tell, it breaks down
There is a will there is a way
Triefe is a will, there is a way
There is a will, there is a way Wondering (5) like spare (6) never knew it
Wondering (5) like spare (6) never knew it
Wondering (5) like spare (6) never knew it I might suck fizzle or I might just float away
Wondering (5) like spare (6) never knew it I might suck fizzle or I might just float away And we'll go (7) off tonight
Wondering (5) like spare (6) never knew it I might suck fizzle or I might just float away And we'll go (7) off tonight High above
Wondering (5) like spare (6) never knew it I might suck fizzle or I might just float away And we'll go (7) off tonight High above Where we won't even need to reach
Wondering (5) like spare (6) never knew it I might suck fizzle or I might just float away And we'll go (7) off tonight High above Where we won't even need to reach The sky my love
Wondering (5) like spare (6) never knew it I might suck fizzle or I might just float away And we'll go (7) off tonight High above Where we won't even need to reach The sky my love (Oh) there will be a change in the air
Wondering (5) like spare (6) never knew it I might suck fizzle or I might just float away And we'll go (7) off tonight High above Where we won't even need to reach The sky my love (Oh) there will be a change in the air Nobody (8) be anybody else
Wondering (5) like spare (6) never knew it I might suck fizzle or I might just float away And we'll go (7) off tonight High above Where we won't even need to reach The sky my love (Oh) there will be a change in the air Nobody (8) be anybody else Lucidity, come (9) to me

Tread boldly right down to the lair...

1. know

- 2. know
- 3. talk
- 4. speak
- 5. around
- 6. time
- 7. running
- 8. will
- 9. back
