The Unforgiven II by Metallica

Fill in the gaps

Lay (1) me
Tell me what they've done
Speak the words I wanna hear
To make my demons run
The door is locked now
But it's open if you're true
If you can understand the me
Then I can understand the you
Lay beside me
Under wicked sky
The black of day
Dark of night
We (2) this paralyze
The door cracks open
But there's no sun (3) through
But there's no sun (3) through Black heart scarring darker still
Black heart scarring darker still
Black heart scarring darker still But there's no sun shining through
Black heart scarring darker still But there's no sun shining through No, there's no sun shining through
Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining
Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt
Black heart scarring darker still But there's no sun shining through No, there's no sun shining What I've felt What I've known
Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages
Black heart scarring darker still But there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages Turn the stone
Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages Turn the stone Behind the door
Black heart scarring darker still But there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages Turn the stone Behind the door Should I (4) it for you?

Sick and tired

SUB inglés
I stand alone
Could you be there
'Cause I'm the one who waits for you
Or are you unforgiven too?
Come lay beside me
This won't hurt, I swear
She loves me not
She loves me still
But she'll never love again
She lay beside me
But she'll be there when I'm gone
Black heart scarring darker still
Yes, she'll be there (5) I'm gone
Yes, she'll be (6) when I'm gone
Dead sure she'll be there
Dead sure she'll be there What I've felt
What I've felt
What I've felt What I've known
What I've felt What I've known Turn the pages
What I've felt What I've known Turn the pages Turn the stone
What I've felt What I've known Turn the pages Turn the stone Behind the door
What I've felt What I've known Turn the pages Turn the stone Behind the door Should I open it for you?
What I've felt What I've known Turn the pages Turn the stone Behind the door Should I open it for you? Yeah
What I've felt What I've known Turn the pages Turn the stone Behind the door Should I open it for you? Yeah What I've felt
What I've felt What I've known Turn the pages Turn the stone Behind the door Should I open it for you? Yeah What I've felt What I've known
What I've felt What I've known Turn the pages Turn the stone Behind the door Should I open it for you? Yeah What I've felt What I've known Sick and tired

Inglès
Tell me what I've done
The door is closed, so are your eyes
But now I see the sun
Now I see the sun
Yes, now I see it
What I've felt
What I've known
Turn the pages
Turn the stone
Behind the door
Should I open it for you?
Yeah
What I've felt
What I've known
So sick and tired
I stand alone
Could you be there
'Cause I'm the one who waits
The one who waits for you
(Oh)
What I've felt
What I've known
Turn the pages
Turn the stone
Behind the door
Should I open it for you?
So I dub thee (7) (oh)
What I've felt
(Oh) what I've known
