## The Best You Never Had by Leona Lewis

I was so in love (1) you	No, No, No
There was nothing I could do	You saw me as a friend,
Wouldn't give me the time of day	Baby I don't want revenge,
Now you wanna be with me	But if you (8) know the truth,
You say you wanna be (2) me	What you didn't see in me
You said I was the best	Reflects what you will never be now,
Gave (3) love out to the rest	When you're telling me I was always the one,
There was nothing I could say	I feel your desperation.
But now it's going good for me	[Chorus]
You say you wanna be with me	Back rubs, (9) love, my stuff
Now	That's what you missed out on
Yeah, you're telling me that I am where it's at	My touch so much we (10) have
But I ain't having none of that	You miss,
[Chorus:]	My kiss,
Because I told you, you'd live to (4) it,	My lips,
and now I don't (5) make you (6)	The love I had for you
bad,	Our song, so long
But when it comes to me just forget it,	[Chorus x2]
I'll be the best you never had,	Well I will always be the best you never had
You put me through so many emotions,	The best you never had
Now baby it's your turn for that,	
'cause in your (7) heart I have left a mark,	
The best you never had.
