

Every me and every you

## Fill in the gaps

Sucker love is (1) sent		Every me and every you	
You pucker up, our passion's spent		Every me	
My hearts a tart, (2) body's ren		Every me and every you	
My body's broken, yours is bent		Every me	
Carve your name into my arm		Like the naked leads the blind	
Instead of stressed, I lie here charmed		I know I'm selfish, I'm unkind	
'Cause there's (3)	else to do	Sucker love I always find	
Every me and every you		Someone to bruise and leave behind	
Sucker love, a box I choose		All (7)	in space and time
No other box I choose to use		There's nothing here but what here's mine	
Another love I would abuse		Something borrowed, something blue	
No circumstances could excuse		Every me and every you	
In the shape of things to come		Every me and every you	
Too much (4) come undone		Every me	
'Cause there's nothing else to do		Every me and (8)	you
Every me and every you		Every me	
Every me and (5) you		Every me and every you	
Every me		Every me	
Sucker love is known to swing		Every me and every you	
rone to (6) and waste these things Every me			
Pucker up for heavens sake		Every me and every you	
There's never been so much at stake		Every me	
I serve my head up on a plate		Every me and (9)	you
It's only comfort, calling late		Every me	
'Cause there's nothing else to do
