

Fill in the gaps

The Suburbs (Live) by Arcade Fire

In the (1) I	Sometimes I can't believe it
I learned to drive	I'm (17) past the feeling, into the night
And you told me we'd (2) survive	So can you understand
Grab your mother's keys, we are leaving	Why I want a daughter while I'm still young?
You (3) seemed so sure	I (18) to hold her hand
That one day we'd be fighting	And show her some beauty before
In a (4) war	All this (19) is done
Your part of town against me	But if it's too much to ask, if it's too much to ask
I saw you (5) on the opposite shore	Then send me a son
But by the time the first (6) fell	Under the overpass
We were already bored	In the parking lot we're (20) waiting
We (7) already, (8) bored	It's already past
Sometimes I can't believe it	So (21) (22) (23) from hot
I'm (9) past the feeling	pavement
Sometimes I can't believe it	And into the grass
I'm (10) past the (11) again	'Cause it's already past
The kids want to be so hard	It's already, (24) past
But in my dreams we're (12) screaming	Sometimes I can't believe it
And running through the yard	I'm moving (25) the feeling
When all of the walls that they built	Sometimes I can't believe it
In the 70's finally fall	I'm moving past the feeling again
And all of the houses they built	I'm moving (26) the feeling
In the 70's (13) fall	I'm moving past the feeling
Meant (14) at all?	In my dreams we're still screaming
It (15) nothing at all, it meant nothing	We're still screaming
Sometimes I can't (16) it	We're still screaming
I'm moving past the feeling
