## Called Out In The Dark by Snow Patrol

		You and I were left (15) the streets		
It's like we just can't help ourselves		Show me now, show me the (16)	aloft	
'Cause we don't (1) how to back down		Every eye trained on a (17)		sta
We (2) called out to the streets		This magic		
We were (3) into the towns		This drunken semaphore		
And how the heavens, (4) opened up		And I		
Like arms of (5) gold		We are listening and		
With our (6) washed histories		We're not blind		
Well they do not (7) to be told		This is (18) life		
Show me now, (8) me the (9)	aloft	This is your time		
Every eye trained on a different star		We are (19)	_ and	
This magic		We're not blind		
This drunken semaphore		This is your life		
And I		This is your time		
We are (10) and		We are (20)	_ and	
We're not blind		We're not blind		
This is (11) life		This is your life		
This is your time		This is (21) time		
We are (12) and		We are (22)	_ and	
We're not blind		We're not blind		
This is your life		This is (23) life		
This is your time		This is your time		
I was called out in the dark				
By a choir of (13) sheet				
And as the kids (14) back the parks
