

Fill in the gaps

I've got a suitcase in my hand	Scary thoughts and frightening sounds
Filled with stuff most (1) to me	In my (7) still I try avoid it
Sidewalk brings my feet	Heading through (8) (9) not one-way
Wherever they're headed.	alley
There is no directions given	I can't really sense my surroundings
Just some trust in human mind to rely on	Seems to be all dark around.
And to hold on to.	Nothing there, to lighten up my way.
Honestly don't know where I'll end up at last	Honestly don't know where I'll end up at last
Won't (2) count the days.	Won't even count the days.
One thing I sure (3) I won't move so fast	One thing I sure know I won't move so fast.
My mind in (4) haze.	My mind is complete haze.
I pass by	I pass by
Don't dare to stop	Don't dare to stop
When there's someone I see	When there's someone I see
There's no one here but me	There's no one here but me
I'm fooled by something inside my head.	I'm fooled by something inside my head
If I lay (5) now	If I lay down now
I might seem kinda dead	I might seem kinda dead
Just keep on (6) time.
