The Kids We Used To Be... by Your Demise

So this is the song	I'll prove you wrong
I write for everyone who I never forgot	I know I can still hear the singing
The kids we used to be are all dead	From the basement
Gone and forgotten	And I know you can too
Black eyed boys and bright eyed girls	The smoke still rises
Friday night love	I know I can still hear the singing
And Saturday morning regrets	From the basement
Summers came and went	And I know you can too
But the love never left	The smoke still rises
But the love never left	I know I can still hear the singing
So let's bring back the best years	From the basement
Nights spent hanging out	And I know you can too
Not giving a ****	The smoke still rises
Being down on our luck	So let's bring back the best years
Some people say that (1) friends stay same	Nights spent hanging out
I'll prove you wrong	Not (8) a ****
Sticks and stones (2) broke our bones	Being down on our luck
Standing (3) our homes	Some (9) say that best friends (10)
Watching the sun come up	same
5:00 am never looked so beautiful	I'll prove you wrong
And feeling	So let's bring back the best years
Beaten and jaded	Nights spent hanging out
Never felt so (4) good	Not giving a ****
I can't wait for tomorrow to (5) around	Being down on our luck
So let's bring back the (6) years	Some people say that best friends stay same
Nights spent hanging out	I'll prove you wrong
Not giving a ****	I'll prove you wrong
Being down on our luck
