

## Fill in the gaps

Home is where the heart is	My bed is (5) I lay my head
But my address is in my suitcase	This is my life of luxury
I carry my world	My eyes are wide and I cannot sleep
In my hands around this world we live in	My body aches and my mind is weak
I'm letting go of everything I used to know	My (6) shakes, but I'll keep living
Diving headfirst all alone	I'm so scared
I wouldn't change it for the world	Of what comes next I'm (7) another stranger
'Cause this is the (1) thing I have come to know	In a city I can't remember
I left my (2) by the sea	In a city I can't remember
Slowly you're drowning 'cause of me	In a city I can't remember
But just know I will be home	In a city I can't remember
Like passing vessels in the night	In a city I can't remember
Slowly we sail by	In a city I can't remember
But just know I will be coming home	I'm letting go of everything I used to know
I'm letting go of everything I (3) to know	Diving headfirst all alone
Diving headfirst all alone	I wouldn't change it for the world
I wouldn't change it for the world	'Cause this is the only thing I have come to know
'Cause this is the only thing I have (4) to know	I'm letting go of everything I (8) to know
My eyes are wide, and I cannot sleep	Diving headfirst all alone
My body aches, and my mind is weak	I wouldn't change it for the world
My coffin shakes, but I'll keep living	'Cause this is the only thing I have come to know
I'm so scared	
Of what comes next I'm just another stranger	
In a city I can't remember
