

## Fill in the gaps

| One more kiss could be the best thing               |
|---|
| Or one more lie could be the worst                  |
| And all these thoughts are never resting            |
| And you're not something I deserve                  |
| In my head there's only you now                     |
| This world (1) on me                                |
| In (2) world there's real and (3) believe           |
| This (4) real to me                                 |
| You love me but you don't know who I am             |
| I'm torn between this life I lead and where I stand |
| You love me but you don't know who I am             |
| So let me go  |
| Let me go   |
| I dream we head to what I hope for                  |
| And I turn my back on loving you                    |
| How can (5) love be a good thing                    |
| And I know what I'm (6) through                     |
| In my head there's only you now                     |
| This world falls on me                              |
| In this world there's real and make believe         |
| And this seems real to me                           |
|   |

And you love me, but you don't know who I am

| i m torn between this life i lead and where i stand |
|---|
| You love me but you don't (7) who I am              |
| So let me go, just let me go                        |
| Let me go   |
| And no (8) how hard I try                           |
| I can't escape these things inside                  |
| I know, I know                                      |
| But all the pieces fall apart                       |
| You will be the only one who knows, who knows       |
| You love me but you don't (9) who I am              |
| I'm torn between (10) life I lead and where I stand |
| And you love me but you don't know who I am         |
| So let me go, just let me go                        |
| You love me but you don't                           |
| You love me but you don't                           |
| You love me but you don't know who I am             |
| You love me but you don't                           |
| You love me but you don't                           |
| You love me but you don't know me                   |
